

mci winter program 2020.

JOIN & ENGINEER YOUR ENTREPRENEURIAL SPIRIT
FEBRUARY 03 - 22, 2020

**your
winter
matters**

Join our winter program;
mix & match courses; earn credits
and make friends from
all over the world!

why attend our winter program?

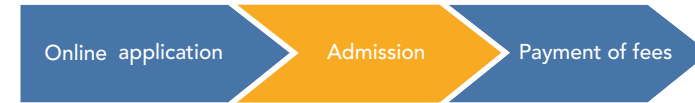

Established in 1995, MCI is among Austria's leading institutions of higher education. In our winter program, we offer undergraduate courses with a focus on engineering and business. Students can mix or take discipline-related courses. In addition, courses involve lab work, site visits and blended learning. Talk to your academic advisor to see how credits earned in our winter program can be transferred to your home university (e.g. as regular courses, as electives, or simply to fulfill a study-abroad requirement).

application.

international.mci.edu/en/students/mci-winter-program/

badge.

Acquire an European Entrepreneurial Badge on adding a webinar on Business Models and on joining a site visit to your portfolio of courses.

fees.

Tuition: EUR 1,990*

The winter program fee does not include airfare, visa, housing or any personal expenses such as meals.

* partner institutions: depending on bilateral agreement, exemption from tuition fees may be granted

housing.

Housing is not included in the winter program package, but MCI will assist participants to find housing in Innsbruck for the duration of the program, usually in a student dorm.

Estimated cost EUR 480.

visa.

Students from certain countries require a visa for entering Austria. MCI will provide students with information on visa requirements.

why come to innsbruck?

MCI is situated in the beautiful city of Innsbruck, in the hub of the Alps. Innsbruck offers exciting sports and leisure opportunities in winter such as skiing, ice skating, sledging or simply going for a relaxed stroll along the river Inn. There are several shopping malls in or close to the city center, museums, bars, cafés, and movie theaters that show films in English. Due to its location in central Europe, Innsbruck makes it easy to visit nearby cities and other countries – all it takes is a few-hours' train ride to:

- Salzburg, where Mozart used to live and "The Sound of Music" was filmed
- Vienna, Austria's gorgeous capital city with its rich imperial past
- Munich, city of the "Oktoberfest"
- Venice, one of the world's most romantic cities
