

OPSO 2021 Opening Ceremony Summary

- ▶ Thank you all for coming! This is really a big honor for us!
- ▶ Please tell your friends and colleagues about UTC+0 timing.
- ▶ Book of abstracts is on the website and it will be updated till the end of the conference, you are welcome to send your abstracts.
- ▶ Talks placement is due to preferences of authors and time zones, not due to importance of subjects, all days are equally important.
- ▶ Dear speakers, especially lecturers: please visit coffee breaks after your talk so young researchers can approach you.
- ▶ All talks start and finish in time. If someone skips his/her talk then we use this time for discussions or coffee.
- ▶ There will be online social activities including music evening
- ▶ We are collecting open problems in semigroup theory!
- ▶ Nizhny Novgorod was called Gorky in the Soviet period.
Presentations about Gorky mathematical schools in are available on the OPSO 2021 Home page. I will show you the short version of it, but there is also the long version and the video.
- ▶ After this we will listen welcome words from the head of HSE Nizhny Novgorod campus, Prof. Anna Blyakhman.
- ▶ The OPSO 2021 conference is opened! Thank you again!

Best wishes, Ivan Remizov
