Instruction for paper submission

Journal: Computational Management Science
Collection: Network Analysis and Applications

1. Go to the journal page
2. Select "Submit manuscript"
3. In Login/register window enter your E-mail address
   If you are registered in the Springer nature system, enter a password, If you are not registered, register and enter your login (e-mail) and password.
4. You get into the system for submitting an article to the journal. Follow the instructions.

Very important: in the process of submitting an article, there will be an option "collections". It is necessary to choose a collection of articles "Network Analysis and Applications".
