

“Does Russia Have a Strategy: Understanding Economic Change”

13th-25th August, 2018

<http://nnov.hse.ru/summereconomics/>

General Overview

The summer school focuses on the peculiarities of Russian economy. It provides not only comprehensive knowledge on national economy, but also on business practices along with Russian language training. Courses on Russian Economy are deepened by sessions on intercultural communication, Russian mentality and side trips to historic locations.

Economic issues

New model of Economic Growth in Russia

- Monetary Policy Issues
- Fiscal Policy Issues

Risks on Financial Markets: Russian Context

Russian market transformation

- Marketing Strategies of Russian Companies
- Russia's Position in The Digital World

Russian Economy Correlation with Politics and Information

- Russian Economy and Contemporary Political Conjuncture
- Information Flows as a Keystone of Russia's Domestic and Foreign Policy

Intercultural Business Communications

**The student gets 4 ECTS after completion of all the courses
+1 ECTS for Russian Language Course (optional)**

Economic issues

Courses on Russian economy, marketing, political and cultural issues, sessions with top-managers and notable entrepreneurs during the company visits.

Cultural immersion

Located in the very heart of central Russia Nizhny Novgorod enjoys proximity to country's major historic sites proffering vast opportunities for first-hand cultural experience: Semenov, Gorodets, Golden Circle etc.

Horse Center “The grey horse”

Situated far from the civilized city on the Vetluga river bank, the center offers traditional folk activities: horse riding, banya (Russian sauna), fish soup, barbecue, traditional te a drinking with blini, folk games and much more! It is the best way to learn Russia and its culture!

Intended Learning Outcome:

- Knowledge of Russian economy and economic policy strategies
- Understanding of the most important peculiarities of Russian financial sector and the interaction of economics and politics.
- Ability to use statistical and economic data, academic knowledge, references, and literature on a given topic to analyze current situation in Russia;
- Basic knowledge of Russian Language

Accommodation

HSE dormitory is quite far from the city center and the main campus, but it is still very comfortable to live in. Each block includes 2 rooms (4 people in each) and a kitchen and a lavatory with shower.

Accommodation

Youth hostel in a city center is a comfortable place to stay for a short program. There is a common kitchen and shower, a living room and play zone. It is a great opportunity to meet people from all over the world.

Accommodation

Host family lives not far from the University. You will get breakfast and dinner at home. Families really enjoy having a foreign guest, so they will indulge you with traditional Russian dishes. There is no better way to feel the culture and get new great friends, than to live in a family.

Participation and application

We are waiting for

- BA and MA Students with strong interest in Russian Economy and Culture

Relevant selection criteria

- Interest in Russian Economics, Language and Culture (carrying out research in the field of economics will be considered as an advantage)

Application deadline – **1st June, 2018**

Applicants should provide a **completed application form** and a **short CV**.
