Knowledge of Russian economy and economic policy strategies

Understanding of the most important peculiarities of Russian financial sector and the interaction of economics and politics

Ability to use statistical and economic data, academic knowledge, references, and literature on a given topic to analyze current situation in Russia

Basic knowledge of Russian Language

ACCOMMODATION (1)

HSE dormitory is quite far from the city center and the main campus, but it is still very comfortable to live in.

Each block includes 2 rooms (4 people in each) and a kitchen and a lavatory with shower.

ACCOMMODATION (2)

Youth hostel in a city center is a comfortable place to stay for a short program. There is a common kitchen and shower, a living room and play zone. It is a great opportunity to meet people from all over the world.

ACCOMMODATION (3)

Host family lives not far from the University. You will get breakfast and dinner at home. Families really enjoy having a foreign guest, so they will indulge you with traditional Russian dishes. There is better way to feel the culture and get new great friends, than to live in a family.
